

Hello!

Welcome to the 4-H Cloverbuds program! As a Cloverbud, you are responsible for completing your Cloverbud Project Book. This book contains important information to fill out and learn as a 4-H member. Information included is the 4-H Pledge, club officers, steps to exhibiting at the Fair, and much more! Fill out this book throughout the year and submit it to your club leader. Record books are due to the UW Extension Office by September 1!

Good luck!
