8:00 AM — 12:00 PM

Annual Fruit Tree Sale

January 2024

Fellow Fruit Growers,

There is nothing more satisfying than picking sweet, fresh fruit from your very own tree. Therefore, again this year we are pleased to bring you our list of fruit trees, asparagus, strawberries, and blueberries that we will have available for your selection in 2024

Let's start with some of the most often asked question about our fruit trees.

- The trees are bare root (no soil on the roots when delivered).
- All apple trees are grafted on EMLA 7, EMLA 106, EMLA 111, G-890, G-935, G-969 root stock (semi-dwarfing and dwarfing).
- Tree size is between 4'-6' tall, depending on the cultivar.
- The trunk diameter is 1/2" - 5/8" and most will be well branched, once again depending on the cultivar.

There will be Master Gardener Volunteers at the pick-up site who can assist you with answering any questions you might have regarding the handling, planting, and care of your new trees.

ORDER EARLY: Tree varieties are pre-ordered and available inventory is limited to what we have already ordered. Although we order over 950 trees, quantities are limited. Orders will be filled in the order they are received.

Order forms **must be mailed** with payment to :

Jessie Larson, N3531 W Tomahawk Tr, Montello, WI 53949

Make checks payable to: TSMGV

Additional order forms can be printed from the Wisconsin Master Gardener facebook page or <https://marquette.extension.wisc.edu>

Orders will ONLY be available for pick up on **Saturday, April 20, 2024 from 8:00 am – 12:00 pm.** The pick up location is the Marquette County Fairgrounds at 757 W. Main St. in Westfield. *You must make arrangements to have your order picked up during this time period.* Orders not picked up at the time and date of distribution will not be reserved or refunded

If you have further questions, contact Keith Vander Velde @ 608-697-3422

Or Jessie Larson @ 920-295-4475
jlarsonea@centurylink.net

Thank You!
