Project for 20

Years in Project

UW-Madison Extension  
Marquette County

FINANCIAL AGREEMENT

I have the following financial understanding with my parents for the costs involved in this project.

- ☐ I pay for all expenses
- ☐ My parents pay for all expenses
- ☐ I borrow the money from my parents and pay them back.
- ☐ Other

SKILLS LEARNED

4-H projects help us learn. Below list skills that were new or improved this year and how confident you are with each.

Skills	Percent Learned
	%
	%
	%
	%
	%
	%
	%
	%
	%
	%

Example- 5% Needs a lot of help/ Not sure what to do  
90% Can complete on own but still room for improvement

List two goals related to this project that you had for this year.

1.

2.

Did you obtain these goals? Why or why not?

List two goals related to this project that you have set for next year.

1.

2.

Tell us about your project. How has this project ignited your SPARK? What is something that you enjoyed, learned, and something that challenged you?

## LEARNING EXPERIENCES

Describe any classes, workshops or learning experiences (include help from others) that you participate in this year.

Name of Experience	Where	When	Who Taught It	What did you Learn

## PROJECT SUMMARY

List all income and expenses that you encountered throughout the year. Include materials that you already had on hand. What was the actual cost of your project?

Date	Items purchased, services, etc.	Income	Expense
	Totals	\$	\$
	Subtract Total Expense from Total Income	Total Profit/Loss	\$

## EXHIBITS / DEMONSTRATIONS / SHARING YOUR PROJECT

List any exhibit that you showed/exhibited or demonstrated throughout the year. Include teaching others about your project, leading others, and other ways you have shared this project with others.

Exhibit	Where	When	Result

## Statement of Completion

I hereby state that this page is filled out completely and accurately
